

Creating an Album

Creating an Album
If you've already done this, move on....

First thing is to create an album. You can have one for everything or several to save pictures by event.
You only need to do this once!

- Menu
 - Home
 - Album list
 - Last uploads
 - Last comments
 - Most viewed
 - Top rated
 - Search
 - **Upload Instructions**
 - **Free Image Editing Software**
 - **Download of Image Resizing Tool**
- User
 - My gallery
 - My Favorites
 - Upload file
 - Logout [qwak]
- Admin
 - **Create / order my albums**
 - Modify my albums
 - My profile
 - Sort my pictures
